Education

1970 Attended Edison Junior College
Communication Courses

1965-1968 Manatee Junior College
Business Administration Curriculum

1960-1964 Manatee High School

Professional Experience

Present Independent Marine Consultant & Marine Surveying, and General
Manager for Marine Surplus- retail and wholesale distributor of
marine related components, parts and supplies.

1998-2000 Vice President of Customer Service
American Marine Holdings, Sarasota Florida

Responsible for all aspects of the daily operations for the Customer
Service Department of Donzi Marine and Pro Line Boats. Led a staff
of 24 personnel.

1994 Consultant for Customer Service Department
Gulf Wind Marine, Sarasota Florida
Sea Ray Dealership

1987-1994 Customer Service Manager
Wellcraft Marine, Sarasota Florida

Responsible for all aspects of the daily operations of the Customer
Service Department. Including warranty authorization, parts/parts
shipping, and the local service center. Led a staff of 35 employees

1983-1987 Owner/Manager
Marine Outlet, retail sales and service
Handled Wellcraft and Pro Line Boats

After working for the business eleven years, I purchased it and reorganized the entire operation. Within four years had raised the gross volume by 300 percent while cutting cost and expenses. This was a boat sales and service facility dealing in new and used units. Recognized as one of Wellcraft Marine's Top10 National Dealers each year. I personally handled surveying and appraising duties along with supervising a staff of 26.

President of the Manatee/Sarasota Marine Association.

1972-1983 Service Manager
Marine Outlet

Required a complete "hands on" knowledge of new unit assembly and finishing, used hull and motor repairs, and the necessary safety characteristics of various types of marine equipment.

1969-1972 Technician
Outboard Marine Corporation

Progressed from entry level mechanic to Classified A Technician. This was a testing facility for product development and research.
